

## News & Prayer Letter May 2021

### PRAISE

Praise God for continued faith through the Covid crisis and also for the peaceful transfer of power to Mama Samia when sadly the President of Tanzania died.

Praise God for volunteers being added to the Health Centre Team, including a radiologist (**yes, the scanner has arrived!**) to do the Mamas baby scans to keep them safe, a midwife, pharmacist and laboratory technician! Also a new Doctor has been added.

Wisdom School is also increasing and has growing links with St James's School, Glossop.

Praise God that the church continues to grow. Last Sunday the church had a party for the 135 new adult Christians who came to Jesus in the last year. This photo shows 33 who were baptised the week before.

### THANK YOU FOR YOUR DONATIONS FOR THE MOZAMBIQUE CRISIS

when IS related Muslim rebels killed and destroyed communities. (This photo is of picking up mutilated body parts)

Through Zeph at our Dodoma Church, who has TAG missionaries in Palma, we sent out £1,734 which was used for:

1. A pastor in Chiuri village, caring for 5 believers who have fled the persecution, whose corrugated iron roofing blew off so the rains can come in and his church has blown down: some money will help them all to move to a better rented property.
  2. Other families have been stopped from leaving Palma. The IS poured oil down their wells which supply their water so money will go to support them.
  3. Food for those fleeing for when they reach a safe place for a time.
  4. Pastor Mario (with TB) has had his rental for his house stopped. He is still not fully recovered so this money will help support him.
  5. Also to help Katalina, whose relatives were abducted, and she needs help.
- Please continue to pray for those remaining in Palma, those who have fled to Pemba, and those that are still unaccounted for.
- Thank you Father for your mercy towards the survivors, including this new baby, born after the mother spent 2 days fleeing in the bush.

### PRAYER:

For finance for Pastor Zeph to buy a car to transport him as his time gets increasingly stretched.  
Pray on for a Government Fridge for the Health Centre!  
Pray for us in the Trust to know when is God's timing for us to visit Tanzania this year.
