Dear Friends,

2nd October 2017

I'm writing to thank you for all your encouragement and support in the past. The Tanzanian Health Centre is looking great. We now have the final push to complete it and then equip it, hoping to open in early 2018.

Looking at the list below, I wonder if you would consider buying a window or sink or toilet. We cannot promise to name the toilet after you ... but God knows. If you would like to be part of this Push to finish, please fill in the coupon below and send us the money for the item. Please ring me on 07854688373 or email me ruthchorley@hotmail.com with any queries.
